28-01291-565-000 MultiCam, IRR

## DIMENSIONS

H=20, W=35 & D=11 cm.

## WEIGHT

500 g.

## MATERIAL

100% polyamide PU coated.  
Webbing: 100% polyester.

## PARTS IN THE

One bag and two inside walls.

Two movable inside walls with elastic holders.  
Two layers of elastic bands on the inside of the flap.

Example of medical equipment packed inside the bag.

The flap opens away from the body, making it easy to see inside the bag.

Small items can be carried in the outside compartment.

MOLLE webbing on the top, sides, bottom and front makes it possible to attach many pouches on the outside.

50 mm waist band.  
Handle in the middle top and hangers in each end makes it easy to store and handle.

Also available in MultiCam.
